

Master in Photography

Available in: Milan, Italy

Intake: November

Website: www.Raffles-IAO.com

10-month Master in Photography

The course will provide an understanding of the following topics:

- Context of Italian and international photography
- Creativity and creation of new projects
- Advertising and corporate
- Fashion, beauty, and portrait
- Still life
- Photojournalism and photo editing
- Storytelling
- Digital technology and creativity
- Creating a portfolio design

In addition to these subjects, students will have the opportunity to visit galleries and photography exhibitions in and around the city, as well as be given the opportunity to exhibit their work. Students will also have the chance to meet and learn from influential photographers.

Note: Curricula are subject to change.
